## Global X Hang Seng High Dividend Yield ETF

### IMPORTANT INFORMATION

Investors should not base investment decisions on this document alone. Please refer to the Prospectus for details including the product features and the risk factors. Investment involves risks. There is no guarantee of the repayment of principal. Investors should note:

- Global X Hang Seng High Dividend Yield ETF's (the "Fund's") investment in equity securities is subject to general market risks, whose value may fluctuate due to various factors, such as changes in investment sentiment, political and economic conditions and issuer specific factors.
- There is no assurance that dividends will be declared and paid in respect of the securities comprising the Hang Seng High Dividend Yield Index (the "Index"). Dividend payment rates in respect of such securities will depend on the performance of the companies or REITs of the constituent securities of the Index as well as factors beyond the control of Mirae Asset Global Investments (Hong Kong) Limited (the "Manager") including but not limited to, the dividend distribution policy of these companies or REITs.
- Whether or not distributions will be made by the Fund is at the discretion of the Manager taking into account various factors and its own distribution policy. There can be no assurance that the distribution yield of the Fund is the same as that of the Index.
- The Manager may at its discretion pay dividend out of the capital or gross income of the fund. Payment of dividends out of capital to a return or withdrawal of part of an investor's original investment or from any capital gains attributable to that original investment. Any distributions involving payment of dividends out of the Fund's capital may result in an immediate reduction of the Net Asset Value per Unit.
- The trading price of the Fund's unit (the "Unit") on the Stock Exchange of Hong Kong is driven by market factors such as demand and supply of the Unit. Therefore, the Units may trade at a substantial premium or discount to the Fund's net asset value.

### INVESTMENT OBJECTIVES

The Fund is a passive ETF and seeks to provide investment results that, before deduction of fees and expenses, closely correspond to the performance of the Hang Seng High Dividend Yield Index (the "Index").

References to particular sectors, securities or companies are for general information and illustrative purposes only and are not recommendations to buy or sell a security, or an indication of the issuer's holdings at any one time. Investors should note that the Fund differs from a typical retail fund as Units may only be created and realized by participating dealers in large unit sizes. This document is issued by Mirae Asset HK and has not been reviewed by the Securities and Futures Commission of Hong Kong. Please read the disclaimer in relation to the Index in the Fund's Prospectus.

The Fund / the Investment Manager may at its discretion pay dividend out of the capital of the fund. The Fund / the Investment Manager may also at its discretion pay dividend out of gross income while charging/paying all or part of the Fund's fees and expenses to/out of the capital of the Fund, resulting in an increase in distributable income for the payment of dividends by the Fund and therefore, the Fund may effectively pay dividend out of capital. Payment of dividends out of capital or effectively out of capital amounts to a return or withdrawal of part of an investor's original investment or from any capital gains attributable to that original investment. Any distributions involving payment of dividends out of or effectively out of the Fund's capital may result in an immediate reduction of the Net Asset Value per Unit.
