ANNOUNCEMENT

Dear Unitholders,

Mirae Asset Global Investments (Hong Kong) Limited (the “**Manager**”), the investment manager of the Global X ETF Series (the “**Trust**”) and the Global X MSCI China ETF (the “**Sub-Fund**”), wishes to inform Unitholders that with effect from 1 March 2021 (the “**Effective Date**”) the fee structure of the Sub-Fund will be changed such that the Sub-Fund will employ a single management fee structure, whereby a single flat fee will be paid out of the assets of the Sub-Fund to cover all of the costs, fees and expenses of the Sub-Fund (the “**Single Management Fee**”). The ongoing charges of the Sub-Fund will also be adjusted from the Effective Date such that it will be equal to the current rate of the Single Management Fee.

Single Management Fee Structure

Currently, the costs, fees and expenses associated with the Sub-Fund's ongoing operations including but not limited to the fees payable to the Manager for portfolio management services, Manager's servicing fee (if any), Trustee's fee and Registrar's fee are payable by the Sub-Fund. The ongoing charges figure of the Sub-Fund calculated based on the expenses incurred for the financial year ended 31 March 2020 amounted to 0.31% of the Sub-Fund's average Net Asset Value over the same period.

With effect from the Effective Date, the Sub-Fund will adopt a single management fee structure. The Manager will retain the Single Management Fee to pay for all of the costs, fees and expenses associated with the Sub-Fund, including the fees payable to the Manager for portfolio management services, Manager's servicing fee (if any), Trustee's fee, Registrar's fee, Service Agent's fees and Operational Fees (as defined in the Schedule to this Announcement) of the Sub-Fund. Any costs, fees and expenses associated with the Sub-Fund exceeding the Single Management Fee shall be borne by the Manager and shall not be charged to the Sub-Fund. For the avoidance of doubt, the Single Management Fee does not include (to the extent not included in the Operational Fees) any costs, fees and expenses payable by investors on the creation and realisation of Units, such as the fees to Participating Dealers, brokerage fees, transaction levy, trading fee and stamp duty, or any extraordinary or exceptional costs and expenses (such as litigation expenses) as may arise from time to time and any tax liabilities in respect of the Sub-Fund which will be paid separately out of the assets of the Sub-Fund. In addition, the Single Management Fee does not represent the estimated tracking error of the Sub-Fund.

The change to the fee structure of the Sub-Fund will result in a decrease in the overall ongoing charges of the Sub-Fund, as further detailed in the section headed "*Ongoing Charges*" below. As a result of the change to the fee structure, the rate of management fee payable to the Manager will be increased from the current rate of 0.049% to 0.18% per annum of the Net Asset Value of the Sub-Fund from the Effective Date. However, as noted above, from the Effective Date onwards, the Single Management Fee will be applied to pay the costs, fees and expenses associated with the Sub-Fund, including the Manager's portfolio management services, Manager's servicing fee (if any), Trustee's fee, Registrar's fee, Service Agent's fees and Operational Fees, which are currently payable by the Sub-Fund.

The Single Management Fee will be accrued daily and calculated as at each Dealing Day and payable monthly in arrears.

For the avoidance of doubt, the maximum rate of management fee (albeit in the nature of a Single Management Fee) remains to be 2% per annum of the Net Asset Value of the Sub-Fund (the "**Maximum Level**") following the change to the fee structure. The Manager shall give not less than one month's written notice to the Unitholders of any increase in the rate of the Single Management Fee up to or towards the Maximum Level. Any increase of the Maximum Level will be subject to the Commission's prior approval and the approval by the relevant Unitholders in accordance with the terms of the Trust Deed.

Ongoing Charges

Currently, no cap is imposed on the ongoing charges of the Sub-Fund. As mentioned above, the ongoing charges figure of the Sub-Fund calculated based on the expenses incurred for the financial year ended 31 March 2020 amounted to 0.31% of the Sub-Fund's average Net Asset Value over the same period.

With effect from the Effective Date, the ongoing charges of the Sub-Fund will be fixed at 0.18%

per annum of the Sub-Fund's Net Asset Value, which is equal to the current rate of the Single Management Fee. Any ongoing expenses of the Sub-Fund (but excluding any costs, fees and expenses payable by investors on the creation and realisation of Units, such as the fees to Participating Dealers, brokerage fees, transaction levy, trading fee and stamp duty, or any extraordinary or exceptional costs and expenses (such as litigation expenses) and any tax liabilities in respect of the Sub-Fund) will be paid out of the Single Management Fee and will not otherwise be charged to the Sub-Fund. For the avoidance of doubt, any ongoing expenses of the Sub-Fund exceeding the ongoing charges of the Sub-Fund (i.e. the Single Management Fee) shall be borne by the Manager.

Rationale and Implications of Change

The Manager believes the implementation of the single management fee structure would be beneficial to the Sub-Fund and its investors due to the simplicity of the fee structure of the Sub-Fund and increased clarity to investors on the fees and expenses payable by the Sub-Fund.

Save as disclosed in this Announcement, there will be no change to the fee level or cost in managing the Sub-Fund following the implementation of the changes set out above. There will be no change in the operation and/or manner in which the Sub-Fund is being managed, and there will be no change to the features or risk profile of the Sub-Fund. The Unitholders' rights or interests will also not be materially prejudiced as a result of the implementation of changes set out in this Announcement.

The changes described in this Announcement does not require Unitholders' approval. Costs and/or expenses associated with this change to fee structure will be borne by the Manager.
