IMPORTANT

- Mirae Asset Korea Equity Fund (the "Fund") mainly invests in equities and equity-related securities of companies domiciled in or exercising a large portion of their economic activity in Korea.
- The Fund invests in emerging markets should be regarded as having higher political, regulatory, volatility, liquidity, economic and foreign currency risks than a fund which invests in developed markets.
- The Fund invests in Korea should be regarded as having higher concentration risks than a fund following a more diversified policy.
- Before you decide to invest, you should make sure the intermediary has explained to you that the Fund is suitable to you.
- Investors should not only base on this marketing material alone to make investment decisions.
