Announcement - Resumption of Primary Market Dealing of Unit

Dear Unitholders,

Further to the Announcement entitled "Temporary Disruption to Primary Market Dealing of Unit" issued by Mirae Asset Global Investments (Hong Kong) Limited (the "Manager") this morning (6 September 2019), it is noted that the trading in derivatives market on the HKEX has resumed this morning.

Accordingly, today is regarded as a Business Day (and a Dealing Day) pursuant to the definition of such terms in the Prospectus of the Products (the "Prospectus").

Operations of each Product including but not limited to Creation Application, Redemption Application, payment of redemption proceeds, trading of the underlying Hang Seng Index futures contracts or Hang Seng China Enterprises Index futures contracts (as the case may be), rebalancing of the portfolio and calculation of the Net Asset Value are back to normal.

Investors should exercise caution when dealing in Units. In particular, the secondary market price of Units may trade at a larger premium or discount to its Net Asset Value or at a wider trading spread. Investment in a Product is subject to risks. Investors should refer to the risk factors as disclosed in the Prospectus and Products Key Fact Statements of the Products.

The Manager will continue to monitor the derivatives market on HKEX and will issue further announcement if necessary.

For details of the temporary suspension and resumption of trading on HKEX, investors should refer to the circulars issued by the Hong Kong Futures Exchange https://www.hkex.com.hk/?sc_lang=en for details.

Unless otherwise defined, all capitalised terms shall have the same meaning as are given to such terms in the Prospectus. Investors who have any enquiries regarding the above may contact the Manager at Level 15, Three Pacific Place, 1 Queen's Road East, Hong Kong or our enquiry hotline at (852) 2295-1500 during office hours.
