

IMPORTANT INFORMATION

Investors should not base investment decisions on this document alone. Please refer to the Prospectus for details including the product features and the risk factors. Investment involves risks. There is no guarantee of the repayment of principal. Investors should note:

- The investment objective of Global X G2 Tech ETF (the "Fund") is to provide investment results that, before fees and expenses, closely correspond to the performance of the Mirae Asset G2 Tech Index.
- The Fund is exposed to concentration risk by tracking a specific region or country.
- The Index constituents may be concentrated in a specific industry or sector, which may potentially more volatile than a fund with a diversified portfolio.
- Investors should note that Shareholders will only receive distributions in USD and not HKD, Shareholder may have to bear the fees and charges associated with the conversion of such distribution from USD into HKD or any other currency.
- Exposure to ADRs and GDRs may generate additional risks compared to a direct exposure to the underlying stocks, including the risk of non-segregation of the underlying stocks held by the depositary bank from the bank's own assets and liquidity risks.
- The trading price of the Fund's unit on the SEHK is driven by secondary market trading factors, which may lead to a substantial premium or discount to the Fund's net asset value.
- The Manager may at its discretion pay dividends out of the capital of the Fund. Distributions paid out of capital, represent a return of an investor's original investment or its gains and may potentially reduce the Fund's Net Asset Value per Share as well as the capital available for future investment.
- The Fund may suffer from a losses or delays when recovering the securities lent out. This may potentially affect its ability to meet payment and redemption obligations. Collateral shortfalls due to inaccurate pricing or change of value of securities lent, may cause significant losses to the Fund.

INVESTMENT OBJECTIVES

The Fund seeks to provide investment results that, before fees and expenses, closely correspond to the performance of the Mirae Asset G2 Tech Index (the "Index").
