ANNOUNCEMENT

Dear Shareholders,

Mirae Asset Global Investments (Hong Kong) Limited (the “**Manager**”), the investment manager of the Global X Exchange Traded Funds Series OFC (the “**Company**”) and the Sub-Funds wishes to inform Shareholders that with effect from 1 October 2021 (the “**Effective Date**”) the fee structure of the Sub-Funds will be changed such that the Sub-Funds will employ a single management fee structure, whereby a single flat fee will be paid out of the assets of the Sub-Funds to cover all of the costs, fees and expenses of the Sub-Funds (the “**Single Management Fee**”). The ongoing charges of the Sub-Funds will also be adjusted from the Effective Date such that it will be equal to the current rate of the Single Management Fee.

Single Management Fee Structure

Currently, the costs, fees and expenses associated with the Sub-Funds’ ongoing operations including but not limited to the fees payable to the Manager for portfolio management services, Manager’s servicing fee (if any), Custodian’s fee and Registrar’s fee are payable by the Sub-Funds. The ongoing charges figure of the Sub-Funds calculated based on the expenses incurred for the financial year ended 31 March 2021 amounted to 0.68% of the Sub-Fund’s average Net Asset Value over the same period.

With effect from the Effective Date, the Sub-Funds will adopt a single management fee structure. The Manager will retain the Single Management Fee to pay for all of the costs, fees and expenses associated with the Sub-Funds, including the fees payable to the Manager for portfolio management services, Manager’s servicing fee (if any), Custodian’s fee, Registrar’s fee, Service Agent’s fees and Operational Fees (as defined in the Schedule to this Announcement) of the Sub-Funds. Any costs, fees and expenses associated with the Sub-Funds exceeding the Single Management Fee shall be borne by the Manager and shall not be charged to the Sub-Funds. For the avoidance of doubt, the Single Management Fee does not include (to the extent not included in the Operational Fees) any costs, fees and expenses payable by investors on the creation and realisation of Shares, such as the fees to Participating Dealers, brokerage fees, transaction levy, trading fee and stamp duty, or any extraordinary or exceptional costs and expenses (such as litigation expenses) as may arise from time to time and any tax liabilities in respect of the Sub-Funds which will be paid separately out of the assets of the Sub-Funds. In addition, the Single Management Fee does not represent the estimated tracking error of the Sub-Funds.

The overall ongoing charges of the Sub-Funds remain the same after the change to the fee structure of the Sub-Funds, as further detailed in the section headed “*Ongoing Charges*” below. As a result of the change to the fee structure, the rate of management fee payable to the Manager will be increased from the current rate of 0.50% to 0.68% per annum of the Net Asset Value of the Sub-Funds from the Effective Date. However, as noted above, from the Effective Date onwards, the Single Management Fee will be applied to pay the costs,

fees and expenses associated with the Sub-Funds, including the Manager's portfolio management services, Manager's servicing fee (if any), Custodian's fee, Registrar's fee, Service Agent's fees and Operational Fees, which are currently payable by the Sub-Funds.

The Single Management Fee will be accrued daily and calculated as at each Dealing Day and payable monthly in arrears.

For the avoidance of doubt, the maximum rate of management fee (albeit in the nature of a Single Management Fee) remains to be 2% per annum of the Net Asset Value of the Sub-Funds (the "**Maximum Level**") following the change to the fee structure. The Manager shall give not less than one month's written notice to the Shareholders of any increase in the rate of the Single Management Fee up to or towards the Maximum Level. Any increase of the Maximum Level will be subject to the SFC's prior approval and the approval by the relevant Shareholders in accordance with the terms of the Instrument of Incorporation.

Ongoing Charges

As mentioned above, the ongoing charges figure of the Sub-Funds calculated based on the expenses incurred for the financial year ended 31 March 2021 amounted to 0.68% of the Sub-Funds' average Net Asset Value over the same period.

With effect from the Effective Date, the ongoing charges of the Sub-Funds will be fixed at 0.68% per annum of the Sub-Fund's Net Asset Value, which is equal to the current rate of the Single Management Fee. Any ongoing expenses of the Sub-Funds (but excluding any costs, fees and expenses payable by investors on the creation and realisation of Shares, such as the fees to Participating Dealers, brokerage fees, transaction levy, trading fee and stamp duty, or any extraordinary or exceptional costs and expenses (such as litigation expenses) and any tax liabilities in respect of the Sub-Funds) will be paid out of the Single Management Fee and will not otherwise be charged to the Sub-Funds. For the avoidance of doubt, any ongoing expenses of the Sub-Funds exceeding the ongoing charges of the Sub-Funds (i.e. the Single Management Fee) shall be borne by the Manager.

Rationale and Implications of Change

The Manager believes the implementation of the single management fee structure would be beneficial to the Sub-Funds and its investors due to the simplicity of the fee structure of the Sub-Funds and increased clarity to investors on the fees and expenses payable by the Sub-Funds.

Save as disclosed in this Announcement, there will be no change to the fee level or cost in managing the Sub-Funds following the implementation of the changes set out above. There will be no change in the operation and/or manner in which the Sub-Funds is being managed, and there will be no change to the features or risk profile of the Sub-Funds. The Shareholders' rights or interests will also not be materially prejudiced as a result of the implementation of changes set out in this Announcement.

The changes described in this Announcement does not require Shareholders' approval. Costs and/or expenses associated with this change to fee structure will be borne by the Manager.

Unless otherwise stated, all capitalised terms used in this Announcement shall have the same meaning as defined in the prospectus of the Company dated 20 July 2021.

The above change will be reflected in the prospectus of the Company and the product key facts statement of the Sub-Funds, which will be published on the Manager's website at <https://www.globalxetfs.com.hk/> (this website has not been reviewed by the SFC) and the HKEX's website at www.hkex.com.hk on or around the Effective Date.
